

Unique gifts inspired by the history of Nicosia

The Shop of the Leventis Municipal Museum of Nicosia is well-known for its expertise in corporate gifting since 1989.

Clients in Cyprus, such as the House of Representatives and the Presidential Palace, as well as many private organisations, have been collaborating with us to build their corporate gifting ideas.

In this catalogue you can browse through some of our products, all inspired by our Museum's Collections.

A range of our special objects and jewellery items are created by Cypriot designers and artisans as part of our mission to support local production.

In our Shop you can find:

- Prints
- Ceramics
- Decorative items
- Home and décor
- Fashion and accessories
- Stationery
- Publications

Framed prints can be offered with a silver plate on which we can engrave your personal message.

There will be an additional charge on the price of the framed print for which you can request a special quote.

Unframed prints can be offered in an envelope.
